August 1, 2018

To Our Customers:

Effective with shipments on or after August 31, 2018, pricing will increase 5-7% USD for sheets and rolls of all Finch Printing, Converting, Publishing, Digital/Inkjet, Technical Specialty and Office Papers.

Pricing for the Finch Fine product family will not change.

Deviated pricing and stock discount revisions will be addressed separately. Your Finch Sales Manager will contact you with the details.

A revised schedule of standard upcharges will also become effective on August 31, 2018, including:

- \$2.00/cwt differential on 50 lb. text over 60 lb. text on all Finch Opaque, Finch 94 and Finch Offset
- \$1.00/cwt upcharge for less than 50" OD rolls on all Finch 94 and Finch Offset products
- \$1.50/cwt upcharge for rolls measuring 11" to 16.99" wide
- Making sheet sizes in skids or cartons will be subject to additional charges

Thank you for your continued support of Finch Paper.

Sincerely,

Greg T. Maio
Vice President, Sales and Marketing
